

What to bring:

This is a list I have developed over the years of things that you may not think of when packing for your trip.

* The Condo comes stocked with an initial supply of all these items but during an extended stay you may need to bring an additional supply. Hopefully this list will prevent unnecessary trips to the store.

Kitchen:

- * Dishwasher detergent
- * Trash bags (13 gallon)
- * Dish washing liquid
- * Salt / Pepper / Spices Cooking spray (Pam©)

Bathrooms:

- * Trash bags (4 gallon)
- * Bath soap Shampoo
- * Toilet Tissue

General:

- * SunScreen
- * Prescription medicines
- * Non-prescription medicines

Emergency:

- * List of medications
- * Family doctor's number

For the Beach:

- * Beach Chairs
- * Beach Towels
- * Beach toys for the kids

NOTE:

Beach cleanup crews are fully authorized to collect and dispose of anything left on the beach after sunset. This is partly intended to keep "casual pedestrian traffic" off the beaches at night scouting for anything of value. Additionally and perhaps more importantly, we share the beach with Sea Turtles. They were here first. We are intruding on their space. At certain times of the year they come ashore to nest and all too often get caught or tangled in the furniture left on the beach.
